

Karen Alexander and Dea Draper- Anderson present Tom Barr, Sue Pirtle and June Middlebrooks a check for \$18,000 on behalf of the 5th Annual Brad's Ride to Freedom.

**Brad's Ride To Freedom:**

Brad's Ride to Freedom is an annual Suicide Prevention and Awareness Event. Initially developed in memory of Brad Alexander and others who have lost their lives to suicide, community participation in Brad's Ride has continued to grow over the 5 consecutive years the event has been held. Each year, all proceeds are donated to the McLean County Center for Human Services for behavioral health services to those in need. This year, Brad's Ride raised \$18,000 for the Center!

The Center for Human Services is grateful to those who organized Brad's Ride for the community attention it brings to the issue of suicide. We are also indebted to everyone who participated in the event for the funds it raises each year for those in need.
